Alexandria, VA 22313-1450

Dear Sir:

In response to the Notification to Comply With Requirements for Patent Applications Containing Nucleotide and/or Amino Acid Sequence Disclosures dated July 31, 2006 (a copy of which is enclosed) applicant submits herewith a computer readable file that contains the Sequence Listing contained within the amended application (Preliminary Amendment enclosed herewith) along with a written copy to comply with the requirements of 37 C.F.R. 1.821-1.825. The information recorded in computer readable form is identical to the written sequence listing, submitted in paper form herewith.

Accordingly, Applicants respectfully request that the Sequence Listing be entered into the application. Applicants believe that the application is now complete and free of any defect and respectfully requests that the application proceed to examination.

Applicants do not believe that there are any charges due in connection with this response. If there are charges associated with this response please charge any fees that may be due to Bose McKinney & Evans LLP's Deposit Account No. 02-3223. A copy of this Letter is enclosed for that purpose.

Respectfully submitted,

BOSE McKINNEY & EVANS LLP
